OFFICE OF STATE BUDGET

Dear Ms. Powell:

ETV has no planned building facilities projects on the horizon for the next five years which we believe meet the parameters used to determine required reporting.

We are writing to confirm that we are not presenting a CPIP for 2015 due to the lack of such projects. We appreciate the support and guidance of the Capital Budgeting office in our two recently approved and concluded projects.

We look forward to working with you if and when ETV needs to bring forward another project for approval.

Sincerely,

Mark Whittington
Director of Administration/HR
